# YOUNG FAIR'S DEATH.

Died of the Keeley Cure.

New York Physicians Lack Faith in Keeley's Methods,

The star patient of Dr. Keeley's Institute ride of gold treatment is dead.

He is James G. Fair, the eldest son of ex-Senator Fair, of California. He was prostrated suddenly yesterday at his apartments in the Lick House in San Francisco. Both Jimmy Fair and his younger brother

boom for the Keeley cure and was widely give an opinion." published:

morning, may be contrasted with the foregoing. It reads as follows: SAN FRANCISCO, Feb. 13 .- The death of your

Fair is attributed by his doctors directly to the bi-chloride or gold treatment. The circumstances all point to this conclusion the doctors say. Although young Fair declared that he had

been cured it was noticed by his friends that after he had undergone the treatment he showed extreme listlessness and lack of

He was stricken down suddenly in his room after he had been spending the evening reading. He tell to the floor with a sharp cry of pain, became immediately unconscious, and atthough physicians were summoned at once he died within a few minutes.

The doctors say that strychnine, which is the doctors say that strychnine, which is believed to enter largely into the so-called bl-chi-ride or gold solution, directly affected the heart of the patient, and produced the discusse which insteared his death.

It is reported in San Francisco that several

many other people on the Pacific coast to try the cure, and a number of these have tegun to show symptoms of dangerous affections of

Senator Fair is the only one of the family now in San Francisco. His other son, Charles, is in Europe, and his two daughters are in New York. One of the latter is the wife of Rerman Oelrichs, whose gorgeous wedding at the palace of the Bonanza King last June was the sensation of the day. It celipsed in spien- ago. dor anything ever known on the Pacific coast

influence for a sufficient time he will have no desire to: alcoholic stimulaut . One of these

at all in one Keeley cure, but that there is anything harmost about it I am not prepared to say. I do not know what the component parts of the fluctured in the treatment are, all News Dealers and Statemers.

Fair.
"It has been known for allong time that the

double chloride of gold with one of the salts of strychnine would in a measure counteract

the effects of alcohol on the system.

"An excess of strychila on a depleted nervous system might cause heart-failure. I would rather not say anything further on the matter, as I know little or nothing about

young Fair's case."
Dr. D. B. St. John Roosa said: "I regard the Keeley cure as a sort of a faith cure, but The Ex-Senator's Son Said to Have have very little talth in it myself. I do not know Dr. Recley's secret, and, therefore, cannot say whether the treatment was injurious to young Fair or not."

Dr. Robert F. Weir, of 37 West Thirtythird street, said: "Gold cure, ch? Well, 1 at 52 Cedar street. He Had Taken the Bichloride of do not be leve that Dr. Keeley can accomposite the Governing committee that the equilibrium plish a lasting cure with his preparation. haven't given the matter any great study, for it is out of my line. However, I don't believe in the so-called cure anyhow. I think it may produce a mental impression upon the patients which might do them some good, but the impression would not continue very long. As to the danger attending the treat-

ment I know nothing."

Dr. Daniel Lewis, of Madison avenue and Thirty-eighth street, said: "I do not believe for the cure of drunkenness by the bi-chlo- that there is anything that will cure inebriety Reeley has not given the medical fraternity the formula of his cure, and so it is difficulto say just what the effects of the treatment might be. All these preparations find their proper level to time."

Dr. J. E. Janvrin, of 191 Magison avenue

Charles L. Fair, were among the first patients said: "While not naving given much study to try the the Keeley cure after it had become to the Keeley cure, the knowledge I have chown.

About ten months ago the following declous remedy. I haven't any faith in it. As spatch was sent out all over the country as a to young Fair's case, I am not prepared to

cure has been effected in the case of James C. Fair, if do not believe Koeley's so-called bi-chloride of gold is introduced into the system as a chloride at all, but then he has not revealed his formula, and what then he has not revealed his formula, and what Another despatch, which was received this latal results is hard to say."

the reported in San Francisco that several other similar cases have occurred there among ex-keeley patients, and the death of young Fair has shaken confidence in the efficacy of the bi-chloride of gold treatment.

The apparently successful results which first attended the case of young fairled many other people on the Pacific coast to it?

### DERAILED ON THE CENTRAL

Two Cars Demolished Near the Spuyten Duyvil Curve.

Another accident occurred on the New York Central Ratir ad in the dark hours of early morning, this time near the scene of the famous Spuyten Duyvil disaster of some years

A freight train running south and drawn by or anything in the whole country for that engine 584 was running at a rapid pace matter.

Flagmen were sent out and warned following trains in time to avert a greater disaster.

### DIED IN AN "L" STATION.

An Unknown Man Came to a Sudden and Startling End.

A man whose identity has not yet been he was very popular, it is said, with the learned died suddenly at 0.30 o'clock this second street police station, and the Coroner's office was notified.

office was notified.

The man was apparently about fifty-five years old, 5 feet 5 inches in height, with gray hair and mustache. He wore a black cont. black and gray striped trousers, white shirt, red flannel und recar, gray thathe shirt, laced the red flannel und recear, gray stockings and laced sines. In his hat was a piece of paper on which was written, "Samuel Fischel, 134 East Fitty-eighth street."

# any way responsible for the death of young WHISKERS TO THE WINDS.

The Insurance Club Issues an Edict Against Them.

Its Walters Peremptorily Ordered to Shed Hirsute Adoraments.

Const-runtion retens among the gentlemen who serve material defleacies to the members of the Insurance Club in the Club restaurant

Two of the Eleven defied the mights najesty of the Governing Committee and appeared to-day for duty in full panoply of nustache and chin-whiskers, but they went about their duties in a disconcerted, uneasy way. It was plain that they felt that the thread that suscended above their devoted head the sword of Damocies—that is to say, the razor of the barber—was a very siender one, and that the lot of the imperious club restaurant waiter was, after all, not the

restaurant waiter was, after all, not the glorious one that most people imagine.

The waiters in Cedat street make a pretty good thing out of their employment, for insurance men are liberal tippers as a rule, and so there of the Eleven reductantly, but with becoming grace, sacrificed their distinguished "side burns," their "Galway sluggers," their "Dundrearys" and their "Pfeffers,"

Allance No. 5 was not so easily cowed. It denounced the cruel tyranny that would sacrifice the hiraute embellishments of the devoted Eleven.

But when a committee from the Alliance value input the cark of the Insurance Club was met by the subment that the walter-t behandless were smooth-faced, and that at 10th sides were smooth-faced, and that the Instrumen club was just as "tony" as the ramens upown restaurant.

The clock was very retiont about what was likely to have en to the two recalcifrant and rebellious waters who had flaunted their whishers in the tory large of the toverning Committee, but his orbitaing frown seemed to justify the perturbation of these two defining to we have the contractions of these two defining the seemed to justify the perturbation of these two defining the seemed to be seemed
